

Dear Krista and Chris Cutlan,

At "The weekend to end breast cancer fundraiser, we will be holding raffles. Items that have been generously donated by companies such as yours will ensure the success of this venture! Tickets are being sold all over the lower mainland, so your donation will bring awareness to your company as well as to support and contribute to an honourable cause.

I am part of a team called the "Family Mammories" and we are walking in an event called *The Weekend to End Breast Cancer*. This is a 2-day, 60 kilometre walk through the streets of Vancouver.

Why are we walking? One year ago I found a lump through a routine mammogram. I then went through weeks of tests and waiting for results. This was stress beyond words for my family and me. My news eventually came with joy: I was cancer free. But my joy lasted only minutes as I thought of all those who did *not* receive such good news. For them, the struggle was only beginning. I vowed to be proactive to end breast cancer, a disease that affects one in 6 men and women.

This fundraiser will be extremely successful if we can count on businesses such as Sechelt Bed and Breakfast to donate high quality prizes that people will *want* to bid on... and then be happy to enjoy later.

We are very fortunate and thankful to have donations from your business:

- One night stay at the Tuwanek Hotel & Massage At the Waters Edge Spa.

To update you on our fundraiser for the Weekend to end Breast Cancer, the event was a success. The raffle raised \$606, your Tuwanek Hotel donation was as popular as I expected. Thank you so much. The event in total raised \$1315. The winner of your wonderful donation is Mr Dean Corpuz. I am sure you will be hearing from him sometime soon.

Thank you once again.

Sincerely,

Kimberly Schmor
